

SJVCGPR 2012

February 03, 2011, Clovis North High School

Directors:

Parking/Arrival

Please be aware that if you arrive before 2:40, school will be in session and parking will be limited. If at all possible, it is suggested to arrive after 3:00 PM to allow for the parking lots to clear out.

Big Rigs/Semi Trailers need to park on the Frontage Road which splits the school from the practice fields. The school buses will be parked in those areas from 2:15 – 2:45 PM so be sure not to get here before 2:45 PM with your Semi Trailer. Semi Trailers can also park across the street in the open college parking lots.

Check In

It is not necessary to take your entire group to check in. You will receive wrist bands for all performers based on the number of performers/floor crew you declared in your registration. These wrist bands will be in your check in packet at each show. In order to make things more convenient for you as directors, check in will be located in each gym. Color Guards will check in at the Color Guard gym announcers table and Percussion units will check in at the Percussion Gym announcers table. Any paperwork that is missing from your registration packet will need to be filled out at this time. Please allow plenty of time.

You will receive your staff passes at this first show. You must keep these passes for all subsequent shows.

When going to perform, your students **do not** need to be wearing wrist bands. Any performer in uniform will be admitted through the performer entrance door with your group. All floor crew/non uniformed personnel will need to have a wrist band or a staff pass in order to be admitted.

Sound Checks

Sound checks will be available between 3:45 PM and 4:00 PM. They will also be available after Jr. High awards until the competition resumes.

Media/Judges Comments

SJVCGPR is proud to be using the new program “Competition Suite” during its inaugural year. This system allows for you to be able access your comments online soon after your performance. There is no longer a need for flash drives/mp3 players. Once your comments are uploaded you will receive a text message from the program letting you know that your comments are ready to access via computer, smart phone or even a land line.

Performance Gyms

The percussion competition will be located in the Granite Ridge gym. The color guard competition will be located in the Clovis North West gym.

Changing Facilities

The boys and girls locker rooms will be open and available to you for changing. The locker rooms are located between the two gyms in the center of campus. Please have adult supervision at all times in these facilities. Please instruct your students not to leave any personal items in the locker rooms. SJVCGPR is not responsible for any lost/stolen items.

Restrooms

Restrooms are located directly outside of the gymnasiums.

Warm Up – PLEASE READ – VERY IMPORTANT!

SJVCGPR will be allowing groups on to the Tennis Courts for warm up. There is no specific time allotment but we do ask that you keep your warm up in those areas to less than an hour. If you require more time please find a spot on campus.

No opening floors in the tennis court area! No Percussion Units are allowed in or near the tennis courts!

Please make **SURE** that your students and staff know not to touch, sit or lean on the tennis nets. This is why we were removed from this area in the past and we want to keep that from happening again!

*******MPR**

This year the MPR will be open to all Color Guard groups.....there will be 2 guards in the MPR at a time and each group will receive 12-14 minutes at the first show (and 14-16 minutes at all subsequent shows). There will be a representative of SJVCGPR to monitor the space in the MPR. Guards will not be allowed to enter early or stay late. Please refer to the Warm Up schedule for specific times.

Gym Entrance/Exit

Please refer to the flow chart attached. There will be a show volunteer there to tell you when to go onto the floor. Your time will start when you cross the center line. Your time will stop when the last person/piece of equipment/floor crosses the center line.
