For this contest you will receive 7 staff wristbands along with wristbands for each performer based on registration/competition suite info. Units will also receive 5 additional wristbands for volunteers who are helping move equipment into and out of the performance area. These wristbands do not act as admission to contests. If parent volunteers wish to observe the contest from the front sideline they must purchase a ticket.

WGASC Wristband Policy (for note if you plan to attend a WGASC SANCTIONED SHOW ONLY IN SOUTHERN CALIFORNIA):

At Ensemble Check-In, ensembles will receive wristbands based on the Membership level of the ensemble; Standard Membership includes six (6) wristbands per event + 1 for the Director, Deluxe Membership includes eight (8) wristbands per event + 1 for the Director, and Premium Membership includes ten (10) wristbands per event + 1 for the Director.

Color Guard Sound Checks:

Sound checks will be available in the color guard gym **30 minutes prior to the start of the show**, as well as during breaks.

Performance Gyms:

Guard: West Gym (Small Gym)

Percussion: East Gym (Large Gym)

Please remind students that upon re-entry, there is a NO CROSSOVER policy. All student members must sit on the opposite side of the paid spectators and judges.

Changing Facilities:

The boys' and girls' locker rooms will be open and available for students to change. Locker rooms are located northeast of the large performance gym, across from the snack bar. Please always have adult supervision with your students in the locker room. Please remind your students/instruct them not to leave ANY personal items in the locker rooms or lockers. The locker rooms are strictly for changing, not for storage. SJVCGPR is not responsible for any lost, stolen, or damaged items. Please remind your students to treat this facility well, so that we may continue to have access to locker rooms in the future.

Restrooms:

Restrooms are located between the two gyms by the snack bar. Extra restrooms are located in the locker rooms. Please do not use the restrooms for changing.

Warm Up – Please Read!

Color Guard: Please refer to the map for designated warm-up areas.

Percussion: Units are NOT permitted to warm-up in colorguard zones. Please refer to the map for designated areas. Percussion units warming up in an unassigned area will be asked to move and possibly assessed for penalties at the discretion of the circuit administration.

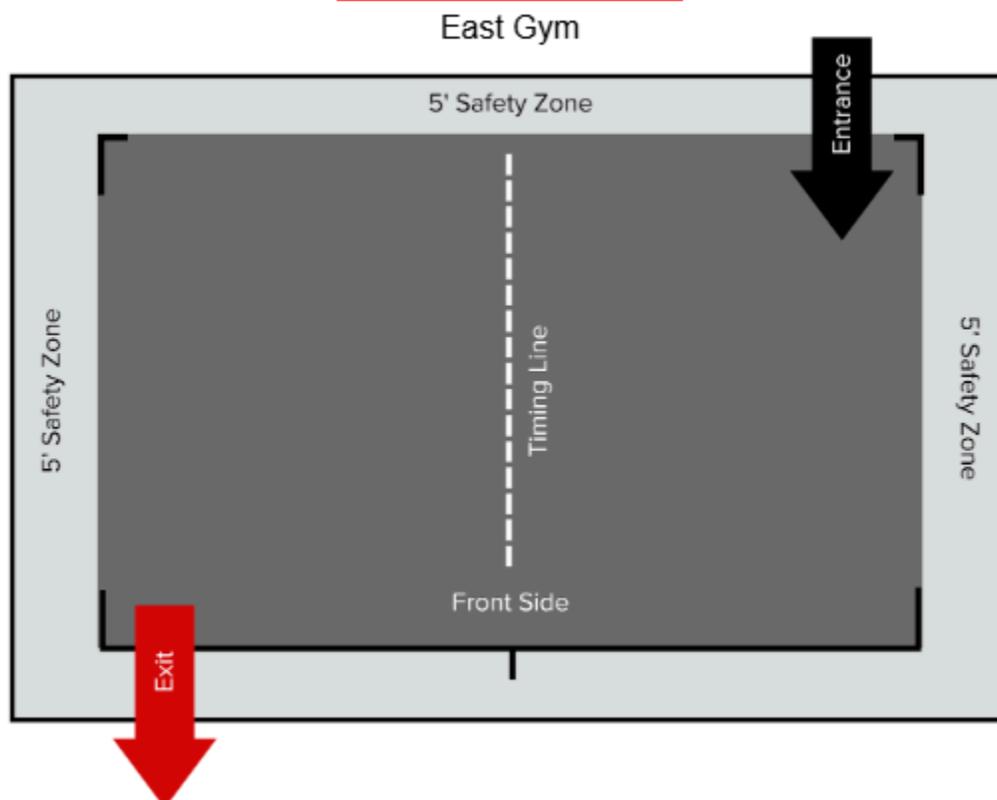

Floor Use in Warm Up:

Units are NOT allowed to rehearse on their show floors in warm-up. Any unit found rehearsing on a floor in warm-up may be assessed a penalty. The reasoning behind this rule is that your show floor may bring in debris, dirt, water, etc. into the gym and disrupt the circuit floor. Any debris brought into the gym from your floor must be cleaned up before your interval time is clocked in by the timing & penalties judge. For this reason, we advise that you do NOT open your floors in warm-up! *If you have a practice/warm-up floor you want to roll out, that is at your discretion.*

Gym Entrance & Exit

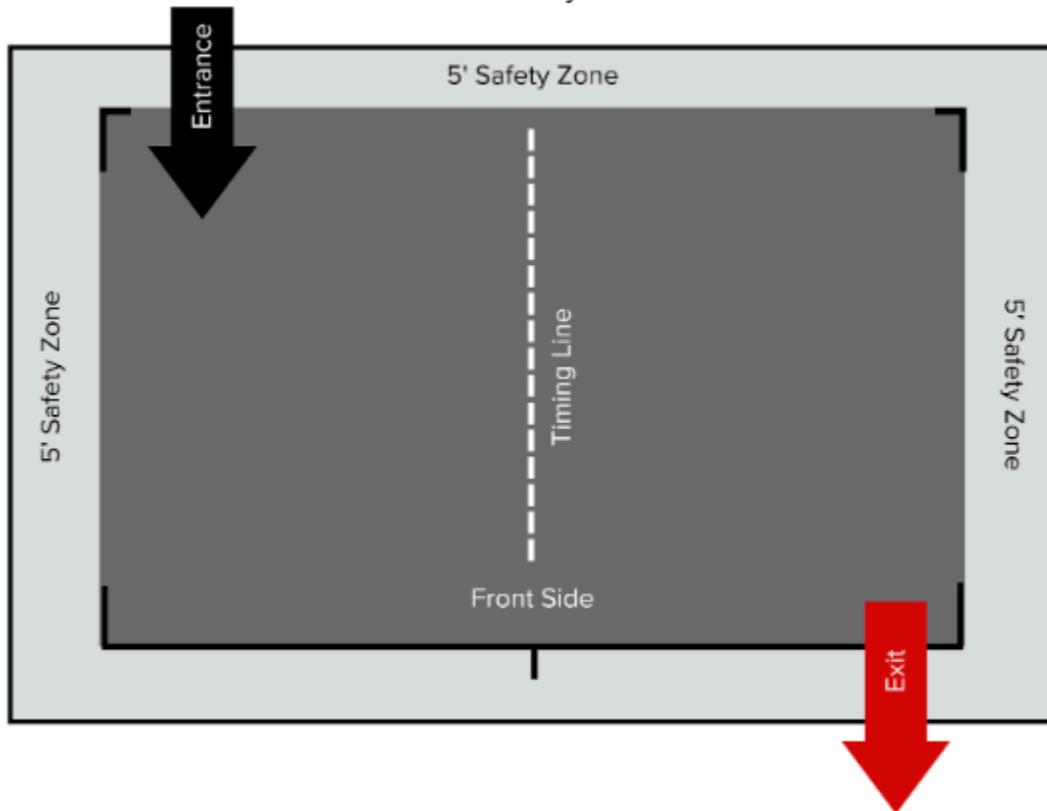

Please refer to the flow chart(s) below and the logistics map at the end of the packet; the black and red arrows line up on BOTH maps to help with orientation. The timing & penalties judge will help tell you when to move to enter the floor. There will be a show volunteer to help escort your group(s) into the gym. Your performance interval time will begin when a member/piece of equipment crosses the center line, and your time will stop when the last person/piece of equipment crosses the center line towards the exit. If a show is running behind, volunteers may ask that you stage your group inside while the current group is performing, to get the show back on schedule. Please comply with any directions volunteers give you, as they have been instructed to do so by the timing & penalties judge or circuit administration. Remember, they are there to help!

No Rain: The floor folding area is located outside, just North of the West Gym, please refer to the map. Be courteous to other groups in this area as well, and make sure your floor is folded and out of the way before the next performance has concluded.
